

A Proven Solution

A Proven Solution

PowerSchool is the leading and fastest growing student information system (SIS) available today, supporting more than 8.5 million students in all 50 states and over 65 foreign countries. Last year, more schools and districts selected PowerSchool than any other SIS product on the market. Today, PowerSchool supports a wide range of implementations – including schools as small as 25 students, districts as large as 80,000 students and statewide deployments.

Impact to Student Achievement

The deep functions of PowerSchool allow today's educators to make real-time decisions about each student, while creating a collaborative environment for parents, teachers and students to work together to prepare students for the future. Access to real-time information allows student performance to be addressed in a timely manner.

Easy to Learn, Easy to Use

By leveraging the latest web technologies and evolving web design standards, PowerSchool presents users with a clean interface that is easy to learn, and easy to use. With over a decade of experience as a completely web-based system, PowerSchool stands alone as the deepest and most flexible SIS available to meet the needs of K-12 districts. Through SIF® Compliance, an open platform, and the ability to share enhancements with other users, PowerSchool allows each customer to easily tailor the best solution for their needs.

FACTS Management helps school districts process student payments, maintain steady cash flow, and stay current with compliance and security measures.

FACTS can handle all of your student billing and payment processing—including tuition for early childhood and extended day programs, athletic fees, student activity fees and transportation fees—all through our secure payment processing platform that integrates with PowerSchool.

Our innovative web-based technology reduces paperwork, simplifies reconciliation, provides comprehensive reporting, and delivers easy-to-use online tools for families.

FACTS gives you more confidence, by delivering at the industry's highest level in compliance and security. Why? Because FACTS is:

- SAS 70 Audited – our annual audit is your assurance that FACTS is doing business the right way, and that sensitive financial information belonging to your school and to your families is safe and secure.
- PCI DSS Compliant – this security standard includes requirements for security management, policies, procedures, network architecture, software design, and other critical protective measures relative to financial institution processing.
- Red Flags Certified – FACTS has undergone a comprehensive risk assessment relative to the Federal Trade Commission's Red Flags compliance requirement, and has implemented controls and procedures for the prevention of identity theft.

Not only do we offer the ultimate flexibility in tuition and fee payment processing, we also deliver best-in-class customer service to our schools and families. Our associates are here to deliver solutions for all of your tuition and fee management-related needs.

About Pearson

As the industry leader in SIS and performance solutions, Pearson offers schools and districts access to deep expertise and an unparalleled selection of technologies that address the challenges of achievement, reporting, growth and scalability. Our student information systems enable schools and districts to leverage technology to ease reporting burdens, open up lines of communication and simplify internal processes, such as scheduling and grading.

We believe that providing today's schools and districts with a choice of flexible, interoperable and customizable technology solutions is critical to establishing the infrastructure needed to power performance across all stakeholder groups, be it schools, districts, administrators, teachers or students.

About FACTS Management

Since 1986, FACTS Management has been and remains committed to enhancing the financial stability and affordability of educational institutions across the United States.

This goal is accomplished by providing solutions including low-cost tuition and fee management options, financial needs assessment, enrollment management technology, donor management services, educational counseling services for families and students, and state-of-the-art information management technology for over 5,000 institutions. FACTS Management is a PCI-compliant, Red Flags Rule-compliant, NACHA-compliant, SAS-70 audited company. We maintain Level-I standards of security, privacy and compliance.

Our unwavering pledge to superior customer service and support is the cornerstone of our partnership with schools. We believe that the educational institutions we serve are an irreplaceable resource, and that our company contributes to the lasting impact they have on society.
